This year's auction will be an exciting evening out featuring recording artist **Jon McLaughlin** at **The Center for Arts** in Natick with capacity of nearly **300 attendees** from Wellesley and surrounding towns.

Some background on P.A.W.S. and our PTO:

P.A.W.S. is an integrated preschool program that delivers high quality education and services to typically developing children and children with special needs. The integrated model at PAWS matches learners with special needs with typically developing peers in an inclusive and thoughtful manner. **The mission of PAWS is to provide a stimulating learning environment that is safe and healthy and supports every child's social, emotional, cognitive, and physical development.** PTO funding covers a costly but imperative music therapy program. Additionally, the PTO organizes community-building events to continue fostering friendships made at school as well as support families with children with special needs. We are grateful for your consideration of our request.

We hope you choose to support our worthy organization. **As a supporter of P.A.W.S., we will acknowledge your business in the following ways:**

P.A.W.S. PTO Auction Co-Chairs
